Learn. Lead. Act. Inspire.

www.lypc.org

The Louisville Youth Philanthropy Council (LYPC) is dedicated to educating youth about philanthropy, inspiring them through hands-on experiences to become community leaders.

LYPC is an intensive, 16-week program that meets for three hours every Saturday afternoon, August through March. Learning here is experiential: students don't just study philanthropy, they practice it.

CORE PROGRAM: Each team builds its own mission, researches nonprofits that align with it, interviews organizational leaders, conducts site visits, and develops its own proposal selection criteria then puts all of that groundwork to use deciding, as a team, how to grant \$7,000. A dedicated facilitator supports each team, but only as a guide. Every decision belongs to the students.

BEYOND THE GRANT (BTG) ADVANCED COHORT: For third-year students ready to go further, LYPC's Beyond the Grant cohort is an advanced program built around relationship, not just resources. Cohort students build meaningful relationships with previous LYPC grantees, engaging directly with nonprofit organizations through their time, talents, and voices, not just their dollars. By exploring creative, non-financial forms of giving and leadership, students are challenged to think beyond traditional models and discover new ways to make a real, personal impact.

We believe anyone can be a philanthropist, regardless of income or background so cost is never a barrier. Students who apply and are accepted attend all 16 sessions at no charge.

Through LYPC, students gain:

- **Community Involvement**
- **Leadership Skills Development**
- **Friendships**
- **Impact on Local Non-Profits**
- **Professional Development and Connections**
- **Scholarship and College Entrance Enhancement**

LYPC IMPACT

ANNUAL CELEBRATION EVENT

The Celebration Event is the culminating, student-led experience of our annual program year, bringing together students, nonprofit partners, families, and community supporters to honor youth leadership and impact. At the heart of the Celebration Event is youth voice. Students share their philanthropic journeys firsthand through live presentations and multimedia storytelling, reflecting on what they have learned about civic engagement, leadership, and community health. The event highlights the nonprofit organizations selected by the students and the issues they address.

20TH BIRTHDAY EVENT SPONSORSHIP

To mark two decades of empowering young philanthropists, LYPC is celebrating its 20th anniversary with 20 Ways in 20 Days a community-wide celebration running October 30 through November 18, 2026. Over 20 consecutive days, supporters can engage with LYPC in ways big and small: attending signature fundraisers like our Wine & Bourbon Tasting, Mahjong Night, and Trivia Night, bidding in an online silent auction, joining a \$20-for-20-years giving challenge, sitting in on an actual LYPC class, or simply sharing LYPC's story with a friend.

The campaign is designed so that everyone — from longtime donors to first-time supporters — can find a meaningful way to celebrate with us. As a sponsor, your support during this milestone allows u to engage with the community to sustain LYPC's next 20 years of developing student philanthropists.

INSIDE THE CLASSROOM

\$1,000

SPONSOR A STUDENT

It costs \$1,000 to enable a student to become a member of the LYPC for one year. Because of the variety of life circumstances of our students, we do not require any fee to participate. We rely on generous donations from community members, corporations, and foundations to fund this experience, so we can help mold the future generation of leaders. As a \$1,000 scholarship sponsor, benefits will include:

- Recognition on the LYPC website for one year
- Recognition on the LYPC Facebook page
- Invitation to host a table at the annual banquet in March
- Invitation to attend an LYPC class to meet students

\$750

PROGRAM DAY SPONSOR

Sponsor one of LYPC's 16 Saturday program days and get face time with the next generation of Louisville's philanthropic leaders. Program Day Sponsors are invited to attend the session, meet and interact with students, and share information about their business, industry, or career path.

- Attendance at your sponsored class day, with dedicated time to meet welcome and speak with students
- Opportunity to distribute company materials, swag, or giveaways
- Logo recognition in that day's program materials and on LYPC's website/social media
- Listed as a Program Day Sponsor in LYPC's annual report and Celebration Event program.

\$500

LUNCH SPONSOR

LYPC runs 16 Saturdays (11am–2pm) each year, drawing 60–65 students from 20–25 different schools. As part of every session, we provide lunch, at an average annual cost of \$7,800. Lunch gives students dedicated time to interact and get to know each other, and it's consistently one of the things students say they enjoy most about program days. While LYPC's focus is teaching the ins and outs of philanthropy, these ancillary moments are vital to the program's success: student bonding builds a strong working environment, more effective teams, and friendships that last well beyond the program. As a Lunch Sponsor, you'd help offset this cost and be recognized for your contribution all year on our website and in our Celebration Event program.
